CORE COMPETENCIES

1. **Professionalism** - Upholds organizational values, demonstrates sound business ethics, works with integrity and ethically in all situations, and treats others with respect and consideration at all times regardless of their status or position. Accepts responsibility for actions, reacts well under pressure, follows through on commitments, and demonstrates consistency between words and actions.
2. **Diligence** –Perseveres in accomplishing tasks or objectives and maintains a sense of urgency about getting results.
3. **Develop Relationships** – Builds and maintains relationships that incorporate cooperation, trust, and respect by devoting the appropriate time and energy to facilitate business transactions. Relates to others while building credibility and rapport, communicates in an honest and straightforward manner, and maintains networks.
4. **Active Communications (Verbal, Written, Listening Skills)** – Clearly expresses ideas, information, and concerns both verbally and in written format in both positive and negative situations. Actively listens, offers full attention when others speak, gives verbal and nonverbal cues of interest, asks questions for clarification, and paraphrases to ensure understanding. Actively seeks and disseminates information from and to a variety of sources, accepts responsibility for ensuring that people have the current and accurate information needed for success, and asks questions to open channels of communication. Demonstrates group presentation skills, presents information and numerical data effectively, and actively participates in meetings.

5. **Attention to Detail** – Completes work in a thorough and complete manner, provides detailed information, and tracks details at all times.
6. **Adaptability** - Utilizes a flexible approach or method to best match the environment, situation, or person. Manages competing demands and is able to adapt quickly and positively to frequent changes, delays, or unexpected events.
7. **Responsiveness** – Takes action to meet the needs of others, responds timely without supervision, and minimizes delays.
8. **Versatility** – Seeks out and adapts well to new or multiple roles or responsibilities within the organization. Maintains composure and remains effective when dealing with frequent job changes, unexpected disruptions, working with conflicting, delayed, or unclear information.
9. **Analytical** - Synthesizes complex and diverse problems or information in order to systematically identify the cause of the problem, collects and researches data, analyzes the complex data, and offers recommended solutions. Designs, implements, utilize workflows, processes, procedures, and systems, and align areas of responsibility with the organization's objectives to achieve results.
10. **Problem Solving & Decision Making**– Able to identify problems, solve them, and show good judgment by isolating causes from symptoms, gathering information from a variety of sources, compiling information and solutions, involving others as appropriate, readily committing to action, and making decisions that reflect sound judgment in a timely manner. Able to identify and choose between multiple options, work well in-group problem solving situations, understand consequences of potential decisions, and support and explain reasoning for decisions.
11. **Facilitation** - Facilitates the actions, decisions, and opinions of others in a positive direction and clarifies terminology and concepts to gain understanding from the group.
12. **Safety** – Ensures a safe working environment for employees by providing training, enforcing safety policies and procedures, following safety policies and procedures under all circumstances, and reporting potentially unsafe conditions.
13. **Results Oriented** – Maintains an appropriate focus on short and long term goals, outcomes, and accomplishments, conveys a sense of urgency to make things happen, and displays a sense of urgency about getting results. Motivated by achievement and persist until the goal is reached.

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

PHYSICAL DEMANDS

1. Must be able to remain in a stationary standing position 50% of the time.
